Ref: Jurisdiction in Pictured Rocks National Lakeshore

Dear Tim,

I am writing to offer my support in the efforts to obtain concurrent jurisdiction in Pictured Rocks National Lakeshore. Recently the paving of County Road H-58 has been completed. Visitor traffic will undoubtedly climb as a result of this newly paved roadway.

To alleviate the question of jurisdiction in areas of Pictured Rocks National Lakeshore, it only makes sense that concurrent jurisdiction be established. This will enable all available resources in the area to be utilized in the most efficient manner to provide for the protection of our resources and for the safety of our citizens as they visit Pictured Rocks National Lakeshore.

Should you have any questions please feel free to contact me.

Sincerely;
